👤 [inponomarev](https://www.github.com/inponomarev)

### Key skills

- Software engineering, mostly with JVM-based backend.
- QA in software development.
- Teaching, training, conference speaking

### Experience

#### October 2021 — present

**Synthesized** ([synthesized.io](https://synthesized.io)) Staff software engineer. Ensuring best engineering practices in the field of QA and delivery. Proposing and implementing effective algorithmic solutions.

#### June 2016 — October 2021

Sole proprietorship. IT consultant and tutor. Technical management of the development and deployment of services related to betting/gambling for an online betting/gambling provider based in Cyprus. Technologies involved:

- Backend: Java (Spring Boot microservices), Kafka Streams, PostgreSQL, Redis
- CI/CD: GitHub, Jenkins, Artifactory, Kubernetes, Helm, Terraform.

#### June 2008 — June 2016

**KURS-IT LLC.** ([curs.ru](https://curs.ru)) Project Manager, Tech Lead  
Java-related software development projects management.

- Development and deployment of informational systems in banking and education. Technologies involved: Java, Tomcat, GWT, MSSQL/DB2/PostgreSQL.
- Architecture and implementation of open-source framework Celesta ([courseorchestra.github.io/celesta/en](https://courseorchestra.github.io/celesta/en)).

#### June 2010 — July 2016

**Lancelot LLC.** ([lancelot-it.ru](https://lancelot-it.ru)) CTO. Co-founder.  
Managing full cycle of development, deployment and support of ERP system (Microsoft Dynamics) for Moscow headquarters of one of leading electronics manufacturers.

#### June 2003 — June 2010

**LANIT Consulting** ([lanit.ru/en](https://lanit.ru/en)). Microsoft Dynamics ERP Developer, Senior Developer.  
Participation in development and deployment of ERP systems.

## October 2000 — June 2003

**OOO KURS** Delphi developer. Senior Delphi developer. Participation in development of analytical software.

## Work in education

---

### September 2023 — May 2024

**Northeastern University London** ([nulondon.ac.uk](https://nulondon.ac.uk)). Teaching Assistant, Lecturer

### February 2022 — May 2023

**Estonian Entrepreneurship University of Applied Sciences** ([euas.eu](https://euas.eu)). Lecturer.

### October 2003 — spring 2022

**Moscow Institute of Physics and Technology** ([mipt.ru/english](https://mipt.ru/english)) Associate Professor, lecturer, tutor.

## Tech conferences

---

**Program Committee member** of the following conferences:

### autumn 2020 — autumn 2023

**Heisenbug** [heisenbug.ru/en](https://heisenbug.ru/en) — engineering approaches to quality assurance in software.

### autumn 2021 — autumn 2023

**Hydra** [hydraconf.com](https://hydraconf.com) — concurrent and distributed computing.

### spring 2022 — autumn 2023

**Flow** [flowconf.ru/en](https://flowconf.ru/en) — systems and business analysis.
